Children who participate in our programs acquire the knowledge and abilities to make educated choices concerning their social, emotional, and physical health while learning principles of respect, integrity, honesty, and responsibility.

Benefits of our B.A.S.E. programs:

- All B.A.S.E. staff are Douglas County School District employees
- On-site convenience for families

- Strong school partnership
- District oversight and support
- Licensed through the State of Colorado Division of Child Care
- Several sites are recognized as accredited through Council on Accreditation

Many of our sites provide the following services:

- Before and After School Programs
- School Breaks (and professional development days)
